

# NATIONWIDE REGISTRIES TOP DOCTORS OF AMERICA

## PRESS RELEASE

### DR. ILKCAN COKGOR, MD SELECTED FOR INCLUSION IN THE NATIONWIDE REGISTRIES TOP DOCTORS OF AMERICA 2024 HONORS EDITION

SAN ANSELMO, CALIFORNIA, May 24, 2024, Dr. Ilkcan Cokgor, MD has been selected for inclusion in the forthcoming Nationwide Registries Top Doctors of America 2024 Honors Edition for demonstrating superior expertise, leadership, and professional excellence in healthcare. Her dedication and tenacity set the standard in the industry. Representing the state as one of the best in the country requires tenure, experience, and a proven track record. There is humble yet strong will embedded inside her drive to succeed. As a talented and intelligent woman, her discipline about work ethic, morals and character is what sets her apart. During the vetting process it was noted along with her extraordinary reputation that she has also consistently maintained a positive peer rating throughout the years. Inclusion was based several factors along with results and findings after a several month vetting process which included academic history, feedback from constituents and patients as well as years of service, community involvement, and overall contribution to the betterment of society. She prides herself on transparency and integrity. She is the kind of professional admired by colleagues and peers alike. Her kindness and willingness to always help others and find solutions to most questions is both noble and highly respected. She has made a significant difference in the lives of her patients; therefore, it is a fact that after considerable review and research, she has been deemed a true Top Doctor, always practicing with grace and putting the wellbeing of her patients first.

#### **About Nationwide Registries Top Doctors of America**

With expert members representing every major industry, Nationwide Registries Top Doctors of America is the trusted resource and historic tool that facilitates the creation of new business relationships in all areas of business. Following the same tradition of the now more than 100-year-old concept, Nationwide Registries Top Doctors of America prides itself on preserving the stories of each member as each of them deserve his and her own place in history. The talented professionals profiled in the historic registry share such virtues as determination, courage, patience, and discipline. It is not these characteristics which set them apart from the rest of us, but their extremely high degree of accomplishment. Now more than ever these people serve as an example, each of these extraordinary people documented in this book offer tangible evidence of the value of hard work, goal setting and passion.

Nationwide Registries Top Doctors of America membership provides these hardworking men and women with a certified and validated third-party endorsement of their accomplishments and serves to spread the word about themselves through a trusted network of individuals brought together by the same common morals, values, and dedication. The historic preservation of one's family legacy and personal achievements is also a driving force in the success of this publication. Such a well-researched and verified source ensures this tool to act as a bridge forging long lasting new business relationships.
